

SECURITY ADVISORY - Review Your Email Security

Jan. 18, 2019

Dear UP Mail Account Users:

Please be aware of recent incidents of emails and passwords being compromised and made available publicly.

We advise you to visit <https://haveibeenpwned.com> and see if any of your email accounts have been compromised.

If any of your email accounts have been affected, we strongly advise that you change your passwords for the affected accounts immediately, as well as passwords for all other online services that are connected to it (social media, online entertainment, etc.). We also highly encourage that you enable Multi-Factor Authentication for all your email accounts.

Should you need further information with regards security, kindly contact the ITDC Helpdesk at (02) 376-3100 and (02) 376-3101 or send an email to helpdesk@up.edu.ph
