Security Warning - Phishing Sites or Emails Asking for Access Credentials
Jan. 7, 2020

To UP Mail Users:

Please be wary of phishing sites or emails masquerading as being associated with the University.

Be reminded that the University will NEVER ask for your username, password, or any other access credentials.

Please be extra careful and vigilant when accessing websites or corresponding through email.

If you encounter suspicious websites and/or emails, please immediately inform our Helpdesk at (02) 8376-3100 and (02) 8376-3101 or send an email to helpdesk@up.edu.ph

For your guidance and information.
