

Security Warning - URL Spoofing Phishing Scheme

Jan. 8, 2020

To all UP Mail Users:

Please be reminded not to click on ANY URL from UNSOLICITED email, even from trusted sources.

There are phishing attempts as highlighted by <https://krebsonsecurity.com/2020/01/tricky-phish-angles-for-persistence-not-passwords/> which manipulates the URL, allowing a malicious app to gain access to users' data.

Please continue to be extra careful and vigilant of suspicious activities online. Should you encounter these, immediately inform our Helpdesk at (02) 8376-3100 and (02) 8376-3101 or send an email to helpdesk@up.edu.ph

For your information and guidance.
