**Advisory: Zoom Migration**

*April 18, 2022*

Dear UP Users,

Please be informed of the completion of the migration conducted by Zoom. We are also coordinating with CU IT Offices to restore Zoom integration with your LMS. With this maintenance activity, we expect that some trailing technical issues may arise and affect some of the services/features provided by Zoom.

Should you encounter any issues, kindly inform us by contacting the UP System ICT Support at <https://ictsupport.up.edu.ph/>. We will immediately escalate said technical issues to Zoom for their immediate resolution.

For your kind information and guidance.
