# Webex for UP Users

How to Log-in using Android Mobile App v1.0

HOW TO LOG IN TO WEBEX ON ANDROID

1. On your mobile, go to Google Play and search for the "Webex" app.
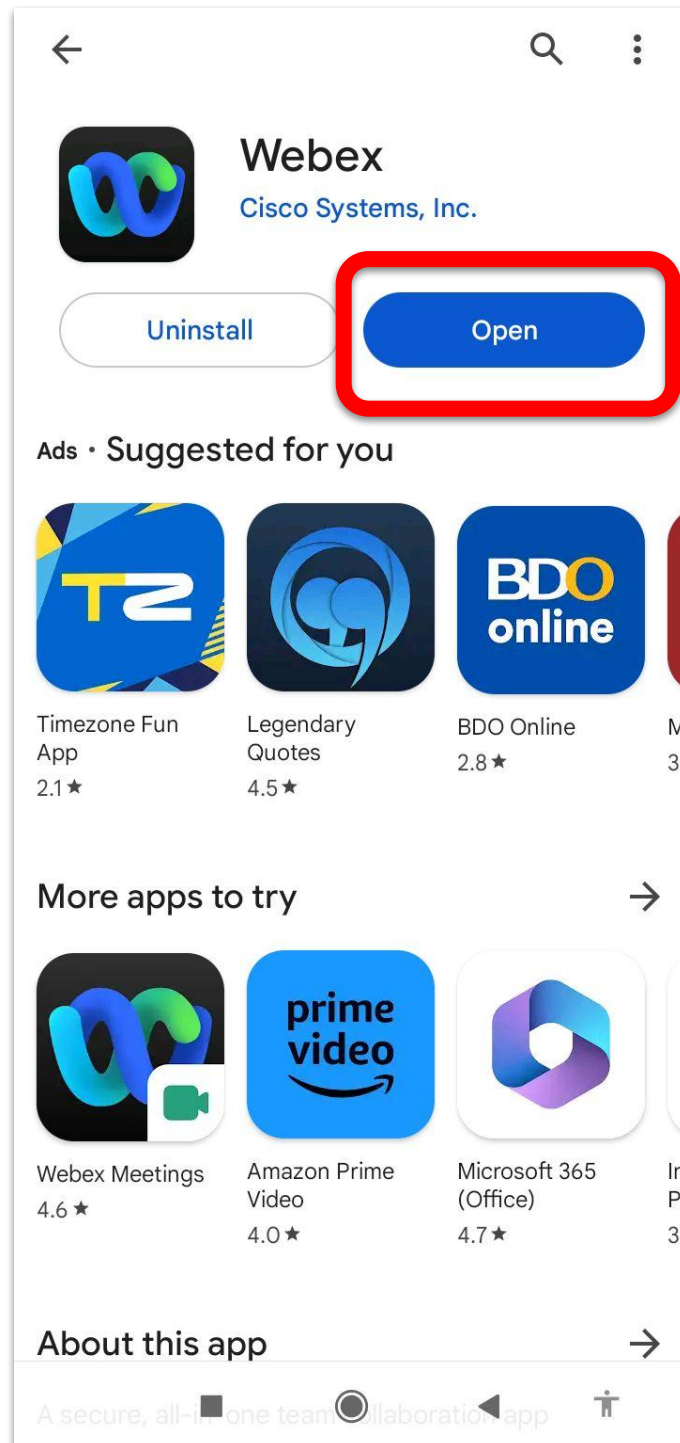

NOTE: Make sure you download the app named "**Webex**." Click the install button.

**Do not** use the app named "Webex Meetings."

HOW TO LOG IN TO WEBEX ON ANDROID

2. Once you have downloaded the Webex app, click the "Open" button to go to the app.
